Re: **Communication Bulletin #032**
Videoconference for Consumers and Families

The Division of Mental Health, Developmental Disabilities and Substance Abuse Services will be hosting training to consumers and their families throughout the state on March 16, 2005 from 4:30 until 8:00 p.m. This is the first of several training initiatives to designed to ensure consumer and family understanding of the new Service Definitions scheduled to take effect July 1, 2005. These initial trainings will be video conferences held at selected sites statewide allowing people to view and participate in a presentation on the Service Definitions by the Division Director and other Division staff.

This video conferencing medium is meant to make it convenient for participants to attend as well as ask questions and make comments about the new definitions. Because of the limited seating capacity at each site, please register as soon as possible. Additional training will be

provided in the near future to ensure that all interested consumers and families will have the opportunity to learn about and understand the Service Definitions.

Please check the Division website: <http://www.dhhs.state.nc.us/mhddsas/> for future training opportunities on this and other topics.

To register, contact: Brenda Smith at 919-715-2780. Sites are listed below.
